Why do we organize The Hague Matching Days?

Thank you for registering with a study programme at The Hague University of Applied Sciences. We would like to invite you to The Hague Matching Days. The aim of this activity is to give you a good idea of the content and the level of the programme. You will also meet future lecturers and fellow students. At the end of the day you will have an evaluation. We call this the Study Choice Check. After this you will decide if this is the right programme for you.

Preparatory Assignment

The Study Choice Check Assignment is a short, online questionnaire with questions about your interests and abilities and your motivation to follow ES. The results will be used during an Intake Interview so that we can provide you with advice on how to start your studies off right. The Interviews will take place during the Matching Days, but we will also arrange telephone or Skype interviews with (international) students who cannot come to the event. All information will be kept strictly confidential.

- Fill in the Study Choice Assignment Survey using the following link:
<https://www.surveymonkey.com/r/esstudychoice>
- At the end of the survey, you will receive a code that must be uploaded to Osiris Registration.

How do I hand in the assignment?

Upload the bold highlighted code that you will receive on the last screen of your Assignment Survey in Osiris Registration. Make sure that it is a pdf document.

How to make a PDF-File?

1. Make the provided survey
2. Copy the bold highlighted code and put it in a Word document. Add your name and studentnumber.

All data will be kept confidential and will not be shared with any third parties.
