

# The Hague Matching Day Preparatory Assignment

## Industrial Design Engineering

Fulltime

June 25, 2019

**let's change**  
YOU. US. THE WORLD.

**DE HAAGSE**  
HOGESCHOOL

## Why do we organize The Hague Matching Days?

Thank you for registering with a study programme at The Hague University of Applied Sciences. We would like to invite you to The Hague Matching Days. The aim of this activity is to give you a good idea of the content and the level of the programme. You will also meet future lecturers and fellow students. At the end of the day you will have an evaluation. We call this the Study Choice Check. After this you will decide if this is the right programme for you.

## Preparatory Assignment

We would like to ask you to visualize your possible future self. Sketch/draw/write a storyboard or scenario depicting a day in the life of you as a student. What happens before you get to school, at school, and afterwards? What problems do you encounter during the day? What are the highlights of the day? What are the struggles? Feel free to get creative in format and content!

We will elaborate on this storyboard during the Matching day workshop with some research and then kick-start a creative process based on the findings. We are looking forward to meeting you on the IDE Matching day and do not forget to bring your storyboard to the event!

## How do I hand in the assignment?

Upload the assignment as pdf document in Osiris. Please write down your name and student number on it. You can log in to [Osiris Registration](#). When you signed up in Studielink, you have received an e-mail with your student number, your log in information and the link to Osiris Registration.

After logging in you can see the programme(s) you are enrolled for. Select The Hague Matching Days 2019 for the programme you want to hand in the assignment and click 'further'. Answer the questions on the screen, upload the assignment and send it in. You will receive a confirmation automatically by e-mail.

## Questions?

Do you have questions or is something not completely clear? Please contact Laura Stevens via [l.stevens@hhs.nl](mailto:l.stevens@hhs.nl)
