Why do we organize The Hague Matching Days?

Thank you for registering with a study programme at The Hague University of Applied Sciences. We would like to invite you to The Hague Matching Days. The aim of this activity is to give you a good idea of the content and the level of the programme. You will also meet future lecturers and fellow students. At the end of the day you will have an evaluation. We call this the Study Choice Check. After this you will decide if this is the right programme for you.
