

Starting information for August 2018

Are you starting your studies at The Hague University this August? Below you will find useful and important information.

Programme: IPM (International Public Management)

When and where do we welcome you?

Please know from the 20th of August, THUAS (so not the program!) organizes various activities and events, to get to know the university, the city, etc. On the 22nd of August, around 10.00 hours (the planning is not complete, but you will receive more info just before the summer holiday), you are expected to be present for three days of introduction.

Introduction

The Introduction takes place on the 22nd, 23rd, and 24th of August. Currently we are organizing the program, so more is to follow!

Booklist

The list of literature will also be included in the summer email. Please know you can use the Study Store to get books, or buy them second-hand.

Schedules

Schedules are communicated two weeks before classes start. Actual classes start from the 27th of August.
