

## Starting information for August 2018

**Do you start your studies at The Hague University in August? Here you will find useful and important information.**

**Programme: Process & Food Technology**

### When and where do we welcome you?

On **Monday August, 27<sup>th</sup> 2018 at 10:00** you are expected in **SL8.83**.

Here you will be introduced to the programme, the lecturers and your fellow students. On this day there will be information given about the course (PER, Blackboard, Electives, Minors, Osiris) by students of the Study Association ProXcess and the PFT staff.

You will also receive the information you need for the first block and the programme for the rest of that week; the introduction week. Lunch is arranged for this 1<sup>st</sup> day.

### Introduction

On **Tuesday August, 28<sup>th</sup> 2018 at 11.00** the introduction camp week starts, organized by the Study Association ProXcess, senior students and staff. The intention is that the introduction week takes place at an "external" location. You will receive one 'study credit' (ECTS/study point) upon full participation. The costs for the introduction camp are **€90,-** per person. The introduction week will end Friday afternoon.

### Booklist

On **Monday September 3<sup>rd</sup>, 2018** the classes will start.

The necessary books for study year 1 and 2 are listed on the booklist. We recommend to make the decision in buying the mandatory books after the introduction week.

Later on, in year 3 and 4, more specialised and recent literature will be used.

***You can order your books through the website [StudyStore.nl](http://StudyStore.nl).***

### Schedules

During the introduction camp you will receive the time table for the 1st block of 10 weeks.
